

Timetable and interrelatedness of workpackages in subproject 1

→ indicating flow of information and deliverables

* Breakout workshops will be organised at the annual IP-Congress in years 4 and 5 of the project. In the workshop results from consumer expectation/attitude surveys (WP1.1), consumer choice tests (WP1.2.1) and consumer narratives (WP1.2.2) will be presented to producers, trades, processors and retailers of organic and "low input" foods and compared to specifications/standards laid down by retailers, processors, traders and organisation who certify producers and processors against organic and "low input" standards.
